

S.J.Abed & Al Sulaimi Catering Group SAOC

"We Cater to Your Needs"

GLASS POLICY

S. J. Abed & Al Sulaimi Catering Group is committed to take all necessary preventive measures to control the possible hazards of glass in the products by the following means:

- No one is allowed to carry any glass or glass embedded materials inside the processing area
- Only plastic wares used to draw the samples from the processing area
- No glass thermometers are allowed inside the processing area
- No one is allowed wearing spectacles/glasses which are made up of glass
- Light fixtures over product processing, packing area and stores are covered with unbreakable acrylic sheet
- All windows and doors made up of glass are laminated with dark sun screen sheets.
