COMMUTING POLICY

- Our Company is committed to follow the PDO HSE procedures
- We provide transport facilities to all our staff (local & expatriates) In line with PDO SP2000V5
- We are responsible for employees' commute whose place of residence is located more than one hour driving time from their primary interior work location
- We provide tickets for all staff from PDO approved transport buses at our interior work locations and back home
- We discourage our staff from using private vehicles.
- We highly discourage employees who wish to collect money to purchase their own bus tickets
- We will not be responsible for the travel arrangements and safety of employees travelling between their place of residence and the commuting hub
- Our Company has established commuting hubs for employees whose residence is more than one hour drive from their primary interior work location
- We will arrange transportation for employees back to their place of residence in case of an emergency
- We ensure that the vehicle journeys are subject to the requirements of the safe journey management specifications
- Our Company will be responsible for the necessary night travel approval from the department concerned with PDO at our interior work locations in special circumstances.
